1st annual Local Addictions
& Mental Health Advisory
Committees'
**statewide
conference**

april 27, 2010
salem, or

To be effective, you need the right tools.

If you want to:

- Better understand your role in Oregon law and in your community
- Meet and learn from your peers from other counties
- Access relevant data on your local community and program
- Be an effective advocate for state mental health policy and budget

Register for further details!

Must be a committee member to attend.
