

**CLINICAL DIRECTOR
COMMUNITY MENTAL HEALTH PROGRAM**

Posted 11/16/09

Options for Southern Oregon in Grants Pass seeks a dynamic, innovative and motivated individual to provide clinical and administrative leadership within a publicly-funded, full-service community mental health program serving Josephine County, Oregon.

The ideal candidate will have knowledge of current best practices for children and adults, especially those models which emphasize strengths, resilience and recovery. Additionally, the candidate should have experience with program implementation, development and evaluation.

The position requires a graduate degree in a behavioral science. At least eight (8) years of post-graduate clinical experience, including four (4) years of progressively responsible management experience preferred. Licensure and A & D certification or experience a plus. Salary depends on qualifications. Position is open until filled; preference will be given to applications received by 12/14/09.

Please submit a letter of inquiry and CV by mail or fax. A completed Employment Application will be required of candidates selected for interview.
