

Volunteer with the Legacy Corps

**Aid Family Caregivers and Foster Teens
In an Innovative New Program**

Special People

Thirty adults will be selected for unique multigenerational service teams that pair up with foster teens to provide respite aid to family caregivers in San Diego County.

Earn and Learn

A stipend of \$200 each month is provided to all participants, even during training sessions.

Make a Difference

As a Legacy Corps volunteer, you not only give much-needed relief to family caregivers, but you teach teens how to provide nonmedical care to others.
